PAPOOSE 68

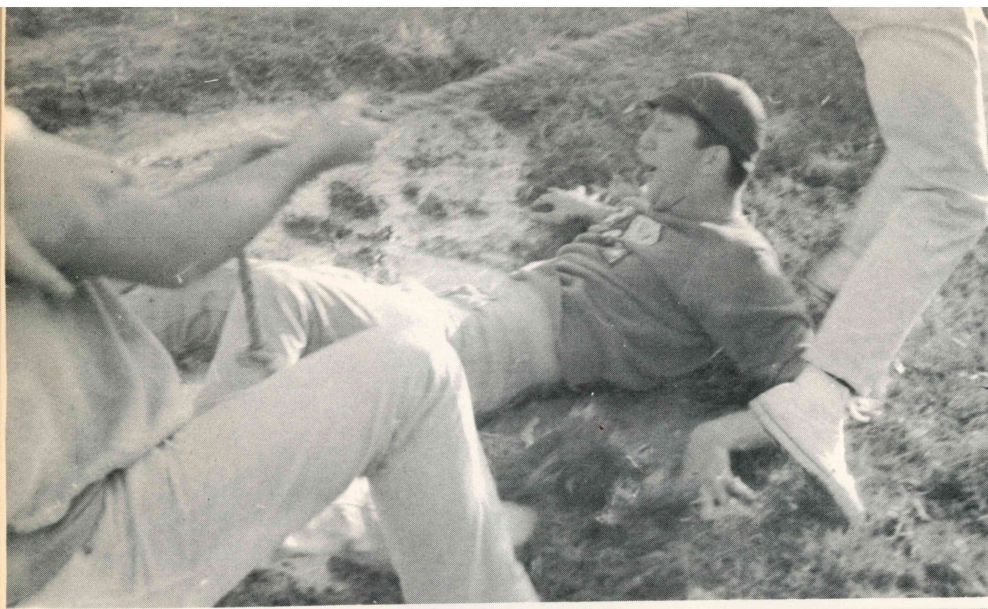

Foreword

The 1967-68 Papoose is presented by the annual staff with the hope that it contains all the phases of ASU-BB life that express the colorful blend of the stimulating opportunities and rewarding experiences offered to each individual. By means of this yearbook, the staff feels that each individual will be able to look back upon the knowledge, friendships, and values gained during his college days and cherish them forever. From association with this school, many have reached their goals in life-----Success and Happiness.
